MORE THAN A MEAL

For more than 30 years, the Center for Family Resources has brought the community together to collect food items to include in holiday food boxes distributed to low-income, Cobb County families during the Thanksgiving break. Boxes include the ingredients for families to cook their own traditional holiday meal. Additionally, since the week of Thanksgiving can be a strain on families' food budgets while children are home from school, we provide extras like breakfast food, pasta and peanut butter for those added meals.
