## GEORGIA CHAPTER-Virtual General Membership Luncheon

### The Power of ESOPs

Virtual Speakers.

- Steve Suckow - BMO Harris Bank
- W. Dennis Summers - Taylor English

Many businesses and business owners often consider the future of their business's ownership, especially during challenging times. Employee ownership is often an interesting option.

Join us for a focused conversation to review some of the key characteristics of successful employee-owned companies, an overview on ESOPs and how the sale to an ESOP works, and what the current market shows for such deals.

Many CFMA members represent companies that are ESOP owned. Employee ownership could be the solution for your company.
