Job Site Visit

**The Gateway Center Arena-College Park
Sponsored by Choate Construction**

Join us for a special visit to the Gateway Center Arena in College Park Georgia. The new arena will be the future home of the College Park Skyhawks, an NBA G-league team, and will have 3,500 seats for basketball and up to 5,000 for concerts. This 91,990-SF multi-purpose facility is next to the Georgia International Convention Center and will include the ATLSkytrain, a free rail connecting the Gateway Center and car rental facility to Hartsfield-Jackson International Airport.

This is a new state-of-the-art venue for Atlanta. Join us for a short presentation on the project followed by a physical tour of the facility. Hard hats will be provided, and you must wear closed-toe hard sole shoes while on-site.
